

## Suffolk AeroModelers

Please fill out a membership application and a permit form for each member. If completing the forms on your computer: fill out the forms, print, and mail to the Treasurer's address below, with your payment. If you are handwriting these forms, print legibly, and mail to the Treasurer's address with your payment. All information is required so that we can keep accurate records.

Your email address is very important so we can communicate pertinent club information, send newsletters, notify you of field closings, and inform you about club events. Those members who do not have email will be contacted either by phone or mail.

Every SAM member must be a member of AMA. You do not need to send a copy of your new AMA card, verification of AMA insurance is done on-line with AMA, but you must supply your AMA number on the application and park permit request. Applications will not be processed until AMA insurance is in effect.

Make all checks or money orders payable to Suffolk Aeromodelers. Cash will be accepted by a club officer at a club meeting. All membership "renewals" received after the February meeting will be assessed a \$20 late fee. Please include the additional \$20 with your application if you are renewing after the February meeting.

Suffolk Aeromodelers members will be notified of meetings held at the flying site. **Members are responsible for the purchase of a Park Permit from the Belmont Park office.**
